Dear Alasdair Dyde, Mel Cole & all at South Cheshire Harriers

Just a brief note to express our thanks and appreciation for the tremendous effort from all at South Cheshire Harriers in raising a total of £2,646.54 on behalf of Age UK Cheshire.

We are extremely grateful for being selected as your charity of the year for 2011. The monies raised will be put to very good use assisting some of our most disadvantaged local older people in Crewe and Nantwich.

As a local charity, Age UK Cheshire is dependent on the support from our local communities and the many hours of assistance from our teams of volunteers. We simply would not be able to continue our invaluable work without the generosity of people and groups such as yourselves.

Thank you once again,

Georgina Alexander-Pulham
